My Dear (Your Boyfriend's Name),

I understand you must be feeling very much uncomfortable at this point of time when all those things have happened which I should have avoided. I know I have hurt you a lot and disappointed you. I agree that I was wrong on my side and have caused you a lot of pain.

I love you a lot and wish that you forgive me for my act which I should have never done. I know you don't deserve whatever I did with you. You are the one I have chosen as my perfect man and I seriously want to be with you. You are the one I want the most in my life. I am really sorry, I acted so childishly with you and didn't even realize I would have hurt you so much.

I really want you back in my life and for that I am ready to promise you whatever you want me to.

I love you a lot,

Your Name.
