Dear Mark,

I am writing to you after a gap of about three months. I intentionally wanted to take time to think and write to you. There is a lot of communication gap and misunderstandings in our relationship all these days. There were several instances wherein I was at fault and few others wherein you were at fault. But both of us did not behave as responsible persons in a relationship. In any relationship misunderstandings do happen. But it all depends on how we look at these mistakes and patch up. There is no scope for ego and adamancy in a fruitful relationship. Many times we may have to think in the long run and correct our mistakes.

I do not want to take examples but want to patch up all the misunderstandings between us. It will happen only when we are ready and do not have ego complex between us. I want to sincerely give a try to sustain our relationship. With open discussion and acceptance of faults, we can overcome all the mishaps that happened between us.

Let us give a chance of rediscovering ourselves. I am ready to meet you whenever you would like to. Hope you will understand and give a thought to what I said. I apologize for all the mistakes and misunderstandings happened because of my fault.

Hope to hear from you at the earliest

Yours lovingly,

Rose

Dear _____ (name of your husband),

I am extremely sorry for my rude behavior with yo. I lost control over my emotions and it took time for me to realize my mistake. I know I must have hurt your feelings. But nothing was intentional. Whatever the reason may be, I take the responsibility for my actions and request you to forgive me.

I hope to hear from you at the earliest.

Yours lovingly,
