## Introduction

An apology letter is written by a lover to his beloved to apologize for his mistake; ask for her forgiveness and request her to love him like before. The sender explains how sorry he is for their misunderstanding and asks her to give him another chance to undo his mistake. He requests her not to end their relation and mentions that he is incomplete without her. He tells her that she holds a very important place in his life without whom life would not be worth living.

## Apology Love Letter Tips

Here are some useful tips to write an apology love letter:

- Start by apologizing for your mistake, mention that you will do anything to get back together and request her to come back into your life.
- Mention that you can not live without her.
- Explain the mistake you committed unknowingly in short and ask for her forgiveness.
- Ask her not to end your relationship; request her to take you back into her life and end by saying sorry.

## Sample Apology Love Letter

Dear Samantha,

I want to apologize for my mistake at the outset for bringing our relationship to this juncture where you want to end it all. The fault is mine and I am ready to go to any extent to mend it to get us back together. I am very sorry dearest; please come back to me. I can not live without you.

I understand that I have committed the sin of sleeping with another woman. I was drunk in my colleague bachelors' farewell party and I can not remember how I ended up going to bed with a girl. I do not even remember talking with her during the party. I promise that such a mistake will never happen again.

Please do not end our relationship. You are the only person in my life without whom life will not be worth living. Please accept my apologies and take me back into your life. I am sorry.

Yours Lovingly,

Martin
