Dear Sir,

I am writing this letter to apologize to you for my rude behavior at the middle of the meeting. I know there were many managers and other superintendents present in the meeting but I suddenly lost my temper because of the stress that I was undergoing since few days due to some family issue. I am extremely sorry for my rude behavior and I understand I am solely responsible for spoiling my own image in front of the mangers.

I know what is have done is not worth forgiveness but still I apologize to you and the whole team of managers from heart and assure you to not behave the same in future.

I hope after reading this letter you will forgive me and I assure you that such behavior will not be followed in the future.

Dear _____(Sir or Madam),

I would like to sincerely apologize for my behavior with our clients and subordinates on ____________ (date of the occurrence). I can only attribute it to the high level of stress which I am facing due to some serious family problems. The way I behaved can affect the image of our organization and cause serious damage to our market reputation.
I know very well that this is not an excuse for my behavior at work. After all any professional person should always keep his personal and professional life separate. However, sometimes it is difficult to some family problems out of the mind and I am facing a similar situation right now. I assure you that I shall not repeat this mis-conduct in the future.

I genuinely and eagerly look forward to your open mindedness.

Thanking You

Yours truly,
