Dear Aahana

It's simply unbelievable that today you have turned 22 years. I was thinking that how the time ran away and my little baby has turned into a pretty woman. However the children grow, the always remain small kids for their parents and hence you are still our little baby. You have always been a good and caring girl; you have made us feel proud for you.

You really don't know what I and your dad feel for you. You have always been our support and we feel that you are as good as a son to us. I am very sure that you will have a very good life and face the problems with great courage. I wish you all the love and luck and may god get you all that you need in the life. Wish you a very happy birthday and hope you have a good one.

With love,

Your mom and dad

Dear \_\_\_\_\_ (name)

I am \_\_\_\_\_ (name) writing this letter to you to wish you many happy returns of the day. Hope you are enjoying this day; all our blessings will always be with you like a shadow. Hope you are enjoying and next year definitely we will be together and have a big blast on this day. I still remember these days when we used to give you a great surprise every year on your birthday.

I am really feeling like coming to your place and give you lots of hugs, but this is not possible at this moment. We used to have a great time every year on this day. I know that you have kept all the gifts given by us as memories. We wish that you get everything that you wish in the life. Hoping to see you soon. Miss you so much.
