## Sample Cute Romantic Letter

Dear Maria,

I am writing this letter to tell you my dearest that my love for you has only multiplied several folds since we met a year back and fell in love with each other. You are the only person that matters to me. You mean the world to me my love!

I was a vagabond with many vices. But ever since we met, I have no space for them in my life. I am literally addicted to you. I can not imagine having the courage to handle situations in my life without your advice. Thanks for always standing by me.

I can spend hours thinking about you or about the times we spent together. I regard myself as the luckiest person to have found sincere love in return for mine and I thank god for sending such a beautiful and sensible person in my life.

Your hugs, warm lips, passionate kiss and abundance of love makes me feel complete and wanted. You are the only person I wish to live the rest of my life for. Please continue loving me forever.

Always Yours,

Martin
