Dear Princy

I am writing this letter to bid goodbye to you, my best friend. After two years of applying to various universities in the US for my PG course, I have made it to one of the best university with full scholarship.

I am overjoyed but equally saddened to leave you and my hometown behind. I am excited, yet nervous since my departure from London is just three days away.

For twenty years, we have always shared our secrets, joy and sorrow. I thank you for always standing beside me during trying times. I will never forget the emotional support you gave when I broke up with my boyfriend, Carl.

I don't know how often I will be able to come back home. Moreover, we will both get busy in our lives. I once again thank you for everything. I will keep you posted on all happenings in my life. I hope we remain best friends for life.

You already have my e-mail address. I will forward my contact numbers as soon as I get them so we can stay connected. I'll miss you. Goodbye, my Best-Friend.
