Subject: Letter of reference for a farm worker

Respected Sir,

This following letter is written as a reply for your request of recommending a field worker. Mr. XYZ and his two brothers work for me for past five years. You asked for some farm workers to work in your farm lands. These men are just suitable for your works. As per your request the XYZ brothers will work for you only in spring season. Their field work is exceptional.

I would like to share something about their character, as that was your main preference. They do not possess any kind of police or criminal records. They were never indulged in any type of drug distribution or theft or murder. They are extremely sincere, serious and hard working kind of people. I could assure you that they consider their job everything.

Their hard work had made me prosperous and I hope that you meet the same fate. Thanking you.

Yours Sincerely,
