It's been two years since i met you last and I just cannot express how much I miss you and want to meet you desperately. Distance does not reduce the love but increases it and that I can clearly see now. Though you are miles away from me, I always feel your presence by my side when I miss you and need you.

Whenever I miss you I remember the sweet memories and moments spent with you. I hope to meet you soon and hope my training here comes to an end soon. I am strong even today only because of your love and I pray to god to never end this love. Missing you a lot sweetheart and love you lots.
