Dear Sana,

Firstly let me wish you a very happy birthday from core of my heart. I really feel that we should have been together today. But still, that's ok. Though we are far away, our hearts will be very close till our last breathe. I know that you are missing me like anything on this day, but my hectic busy schedule did not allow me to be with you on this occasion.

I still remember your 23rd birthday five years back when we were just engaged. It was the happiest moment of our life. I was thinking to celebrate our birthday at the café coffee day where we met for the first time but this won't be possible at least for this year. But nothing to worry, we can make a belated birthday party at the same place when I can take a leave. I have also bought a gift for you but it is a surprise, so I am not going to tell you right now. I am sure you will be very happy when you will see it.

With lots of love

Yours Vicky
