Introduction

Sometimes, based on the talent or abilities of the students, various institutions tend to recommend for the students to colleges, jobs or other institutions. It may even be a personal letter, in case a person is involved with that institution from before. And for that, official letters are written in order to pass the recommendations.

Respected sir,

I hold ABC in the highest esteem, and recommend him for the XYZ without booking.

As his Math educator, I can attest that ABC is not one to back down from a dispute, either learned or personal. He finishes what he begins and never permits adversity gets him down. Because of his bold vision and perseverance, our school now has a community-funded computer lab ABC's dedication to that task extends as he supervises computer teaching in our community.

ABC's blend of academic accomplishment, authority and individual feature make him a perfect candidate. Once you rendezvous ABC you will see why I am as passionate about him, both as a student and a juvenile citizen.

Thanking you,

Yours sincerely,

Respected _____ (receiver's name),

It is my large delight to suggest _____ (name of the student) for the _____ (name of the scholarship) I am his/her Guidance Counselor _____ (name of the school) and have had the delight of employed with _____ (name of the student) on some committees and programs. I glimpse that the scholarship is proposed to go to somebody who demonstrates strong authority abilities.

_____ (name of the student) aligns these guidelines properly. The past year he/she took over the primary blame for our school's function in the Enterprising Young People program. He/she cooperated with enterprise scholars at Concordia University in tailoring the program to our scholar community.

He/she is also gifted in identifying and drawing out the talents of other ones, and was adept to put together and supervise a student managing group to reconsider the business designs conceived by the entrepreneurial students in the innovative Young People program. It is uncommon to rendezvous a high school scholar who is very much mature, results-oriented and organized.

I can whole-heartedly support _____ (student's name) for this accolade. His/her demonstrated authority and vision have made an affirmative influence on our school community and I have no doubt that this will extend at the university he/she will be attending.

Thanking you,

Yours sincerely,
