Dear father,

I am very sorry for not performing well in the semester exams. I don't want to face you as I am ashamed with my performance in the exam. You have many dreams of me becoming a successful engineer. I have to struggle to make name and fame in the society. You have been a pillar of strength for me all through the years. I still remember the way you were supporting me when I was preparing for the engineering entrance exam. You were always supporting me, cheering me whenever I needed encouragement. I can never let you down.

I could not fare well in the semester exams as my preparation was not up to the mark. I have realized where I am lagging and in the next semester exams I shall prove my worth.

Dad, please forgive me for my callous attitude this time during the exams. I was spending time with my friends and not studying for the exam. I will not repeat the mistake and shall make a study plan for next semester exams.

Dad, hope you will forgive me. Please respond as I am eagerly waiting for your reply.

Yours lovingly,

Sunny
