Dear Suji,

I am really sorry for consuming alcohol last week. You must have felt very bad looking at my condition. Let me explain you, I did not want to drink. My friends influenced and forced me to have at least one drink. With great hesitation I had a first drink and they forced me to have more. I lost control of myself and succumbed to their pressure. I am really ashamed of my behavior.

I know how much you love and care for me. it is quite wring on my part to hurt your feelings and emotions. Off late I became very busy with my office work and have not given you enough time to spend with me. But you never complained. You are so good at heart. You always think well about me. I am fortunate to be your husband.

I really apologize for my behavior and earnestly request you to forgive me. I know you are generous at heart and will never fail to meet my expectations.

I am eagerly waiting for your reply.

Yours lovingly,

Anand

Dear _____ (name of your wife),

I am apologizing for my rude behavior with you the other day. It was not my intention to hurt you. I was quiet tired because of my office work. When I came home late, you asked me the reason for my delay. I got very irritated and started shouting at you. I know you must have felt very bad. But please try to understand my position also. I came home to relax and when you started asking me questions, I lost control of my emotions and shouted at you. The tears in your eyes are proof of your sad emotions.

I promise you that I will not hurt your feelings and try to meet your expectations. Hope you will forgive me and reply at the earliest.

Yours lovingly,

_____ (Your name)
