Dear Mary,

It's been a long time since I wrote to you. I am extremely sorry for not attending your birthday party. We had medical exams starting exactly from the date of your birthday. You know how important these exams are for me. I cursed myself several times for I was helpless and could not afford to avoid the exams.

How was the party? You must have had a good time with your friends. Hope all your friends had attended the party.

In fact I bought the gift and planned to come to New York as well. The dates for the exams were revised and shifter one week earlier. Otherwise I would have definitely attended the party.

How are parents? Dad must be busy with his office work and mom also with the project work.

Everything in hostel is fine. Classes are going on regularly. I am having tough time to cope with the lessons and exams.

I once again apologize for missing your birthday. Hope to meet you all at the earliest.

Yours lovingly,

Anna

Dear _____ (Name of your sister),

I am really sorry for missing your birthday. I know you must have felt bad but I could not help it. Our semester exams started on the day of your birthday. They were supposed to start a week later. That's the reason why I had planned to come to our place as well. The party must have gone well. Hope you had a great time with your friends.

How are parents? Mom and dad must be really busy with their work. How is your college going on? I shall come home during my semester holiday next month. I plan to stay for two weeks this time.

I once again apologize for my absence at your birthday.

Yours lovingly,
