Dear uncle,

I am very sorry for not attending your retirement party last week. I planned to come early from office and visit your place. But unexpectedly I had to attend an important office meeting. I could not avoid it as it is a very crucial meeting with the clients. I hope you understand my situation.

I hope you had a nice time meeting all your friends and relatives in the party. How are my cousins Jack and Sam? Convey my wishes to them.

I am planning to visit you the coming weekend. Please let me know if you would be available. I want to meet you at the earliest.

I once again apologize for my absence at your retirement party.

Yours affectionately

Joel

Dear uncle _____(name of your uncle),

I am really sorry for not being able to attend your son's wedding reception this weekend.

Unexpectedly I have to attend an important office meeting on Saturday. My boss is sending me to this meeting as his proxy as he is not in a position to attend it. I hope you understand my situation. If I do not attend it, it will affect my performance.

I hope all the arrangements for the wedding are over and you are eagerly waiting for the wedding day. It would have been really nice if I could attend it. I plan to come and meet you all after I come back from the trip.

How is your health? By God's grace you are hail and healthy and I pray for your good health in the coming years.

Please get back to me at the earliest so that I can make plans to visit you. I wish the wedding reception will be a grand success. Please convey my best wishes to the bride and bridegroom.

Yours lovingly,
