Dear Prof. Joseph,

I can't express my feeling when I first met you during the conference on 5th October on "Nuclear power". I thoroughly enjoyed lecture given by you. I truly appreciate the way you have cleared everybody's doubts and it was to my amazement when I came to know that you have made lot of contributions in the field of nuclear energy. I am looking forward to attend more seminars conducted by you.

The research papers which you have distributed to everyone were so good that it has started developing my interest in this field. I, once again, would like to thank you and also appreciate you for your hard work and research in this field and hope to get a chance to meet you again.

Yours sincerely'

Peter Clinton
